Re: Intel Case No. P10172
Fish & Richardson Ref.: 10559-366001

Dear Thue:

Thanks for your previous help with this project. Based on that help, we have now prepared a draft application for your review. A copy is attached.

Please review the application as soon as possible and let me have your comments. We would like the application to be as technically accurate and complete as possible.

After you and Intel legal each complete your respective review of the application, we will send you formal papers, and then file the application.

If you have any questions, please do not hesitate to let me know.

Very truly yours,

Matthew B. Loftus
